Vivian Ludrick

Software Engineering Student

As a computer science engineering student, I am eager to demonstrate my passion and abilities in the field. With a strong foundation in programming and problem-solving and being adept at programming in multiple languages, I am confident in my ability to contribute to a team and create innovative solutions.

EDUCATION :

HSC at Narayana Junior College, Nallasopara *(Mar '22)*

During HSC, I focused on core subject like Physics, Chemistry and Mathematics and also on vocational and writing skills in English language. Hence, I was able to secure about **90% in English** language and 84.5% in HSC.

SSC at Holy Cross Convent School, Nanbhat *(Mar '20)*

During my SSC, I tried to hone my analytical and critical thinking while aiming to increase my score amongst my peers. As a result, I scored **93.8% in SSC,** while my language scores were 84 for English, 83 for Marathi and 98 for Sanskrit.

ACHIEVEMENTS :

- Secured 97.55 percentile in MHT-CET BE. *(Aug '22)*
- Represented my school 2x at interschool level for speech and quiz competition.
- Won the MSCE PUP (*2014*) and MSCE PSS (*2018*) scholarships.

SKILLS :

- Good teamwork and communication skills.
- Able to use Git and Github along with VS Code.
- Time efficient.

PROJECTS :

- Portfolio Website.
